### Cl. 150.—Royal Warrant—Stoppages for Prison Clothing.

VICTORIA R.

Whereas we deem it expedient to extend the existing regulation under which at present only soldiers imprisoned in a military prison or provost cells are subject to a stoppage from their pay when supplied with prison clothing.

Our will and pleasure is that Article 718 of our Warrant of the 27th December, 1870, as amended by Article 35 of our Warrant of the 2nd December, 1872 [Clause 2, Army Circulars, 1873], be cancelled, and that the following article be substituted in lieu thereof:—

718. Every soldier confined in a military or provost prison, or imprisoned in garrison cells shall, if provided with prison clothing, be subject to a stoppage of 1½*d.* a day for the first twenty-eight days of his imprisonment, or for such less number of days as he may be confined in a prison or in cells.

Given at our Court at Balmoral, this 4th day of October, 1875, in the 39th year of our reign.

By Her Majesty's command,
GATHORNE HARDY.

*Secretary of State's Instructions on the foregoing Warrant.*

1. All soldiers committed to military or provost prisons or garrison cells, either by summary award or by court martial, will for the future wear prison clothing.

2. Application for the required articles of clothing will be made to the Director of Clothing, Army Clothing Department, Grosvenor Road, London, S.W.

### G.O. 66.—Examinations for Promotion.

The following alterations are to be made in Section IV., paragraph 37, of the Queen's Regulations and Orders for the Army (1873), in regard to the subjects in which captains who obtained their rank since the 1st November, 1871, are, with the exceptions stated in paragraphs 39 and 40, to be examined previous to their promotion to the rank of major.

CAVALRY AND INFANTRY.

*On Paper and vivâ voce.*

*a.* The candidate will be furnished with a contoured map, or sketch of ground similar to those used for the War Game, upon which he will be required to delineate and explain the disposition of a combined force of the "Three Arms" under given conditions.

1st. As an advanced or rear guard.
2nd. On outposts.
3rd. For the attack or defence of a small chosen position.

*b.* The examining board will be required to test the candidate's knowledge of the principles of combined movements, supply of ammunition, food, forage, &c., and system of regimental orderly-room work and correspondence, by means of a vivâ voce examination.

*c.* A set of questions on elementary tactics, as specified in the Sandhurst course, will be given. These questions, which are to be answered in writing, will not turn on knowledge of dates or details, but will be calculated to enable the candidate to show that he has studied some of the standard works on Tactics, relating to the attack and defence of positions, and to advanced and rear guards and outposts.*

*d.* In order to pass this part of the examination the candidate must know thoroughly how to read a military map or plan.

---

* N.B.—These questions will be supplied by the Director General of Military Education, to whom the answers will be transmitted for examination.

GEN. ORDERS—*continued.*

*e.* The following works may prove useful to officers preparing themselves for examination, in doing which they can also have the occasional assistance of the garrison instructors in the afternoon:—

Hamley's Operations of War.
Clery's Minor Tactics (Sandhust Text Book).
Home's Précis of Tactics.
Boughey's Elements of Military Administration.
Simmons on Courts Martial.
Soldier's Pocket Book.

## G.O. 67.—Provost Prisons.

I. Referring to paragraph 94, section 6, "Queen's Regulations and Orders for the Army, 1873," it is to be understood that prisoners, committed to garrison cells or provost prisons, whether awaiting admission to military prisons or otherwise, are to be supplied with such necessaries only as are absolutely required for the period of imprisonment.

II. Referring to paragraph 103, it is to be understood that only the actual cost of subsistence of prisoners in provost prisons is chargeable against the public; and it is the duty of the provost serjeant to apportion such actual cost among the corps to which the prisoners belong, and to adjust with those corps the difference, if any, between the 6*d.* a day advanced and the amount actually expended.

III. Under Clause 150, Army Circulars, 1875, soldiers committed to garrison cells or provost prisons are to wear prison clothing; their regimental clothing will, therefore, on their being handed over, be taken back to their corps by the escort.

## G.O. 68.—Courts Martial—Charges of Fraudulent Enlistment.

Fraudulent enlistment into the Army while belonging to the Army Reserve having by the Mutiny Act (Clause 50) been declared to constitute desertion, charge 14, Appendix C., of the Queen's Regulations and Orders for the Army (1873) is cancelled.

## G.O. 69.—National Rifle Association—Army Prizes.

The list (Appendix A., *not printed in Army List*) of the winners of prizes given by the National Rifle Association, to be competed for by soldiers, is published with reference to G.O. 38 of 1875.

By command,

Beg leave to notify to the Officers of Her Majesty's Services that they now conduct their business exclusively on the ready-money system.

Buying and selling solely for Cash, and thus avoiding bad debts and the heavy risks and responsibilities inseparable from a credit trade, they are enabled, without in any way varying the well-known quality of their supplies, to make a material reduction throughout their charges, and to offer goods of the highest class at a mere fractional advance on the actual cost of production.

Officers requiring

*Uniforms,*
*Accoutrements,*

*Mufti, Hosiery, or*
*Barrack Furniture,*

are invited to apply for Estimates, and to note the remarkable economy they offer.

# DENT'S CHRONOMETERS,

WATCHES, and CLOCKS have long held pre-eminent rank, as may be seen from the Reports of various scientific persons:—

**THE ASTRONOMER ROYAL,** (SIR G. B. AIRY,) in his Report to the Admiralty (**13th of August, 1870**) on the forty Chronometers entered for annual competition, says of M. F. DENT'S Chronometer—

"THIS IS THE FINEST CHRONOMETER THAT WE HAVE EVER HAD ON TRIAL."

N.B.—The LATE ASTRONOMER ROYAL (J. POND, Esq.), reporting in 1829 on the celebrated public trial, by order of The Lords of the Admiralty, which lasted thirteen years, during which nearly 500 Chronometers were tested, says:

"Your Chronometer, No. 114, is entitled to the First Premium. Actual variation in the year 0·54 hundredths of a second. This is superior to any other yet tried."

**THE RUSSIAN IMPERIAL ASTRONOMER,** M. STRUVE, of St. Petersburgh, reporting upon 81 Chronometers tested by the Russian Chronometrical Expedition, in 1843, says:

"The DENT CHRONOMETERS have held FIRST RANK in a brilliant manner. They contributed, beyond dispute, THE MOST EFFECTUALLY to the exactitude of the results.

"M. STRUVE."

*** *By Command of the Emperor, the Russian Gold Medal of the Highest Order of Merit was presented to Mr. DENT.*

**SIR WILLIAM ARMSTRONG,** Inventor of the Armstrong Gun, says:—

"9, HYDE PARK STREET, W., *14th November*, 1861.

"The Chronometer Watch you made for me in December, 1859, has never been affected by travelling or riding; its variation at the end of a year was only 45 seconds. It has proved in every respect a most satisfactory Watch.

"W. G. ARMSTRONG.
